

RO-LCG 2017 International Conference

Contribution ID : 33

Solving quantum mechanical problems using finite element and Kantorovich methods

Friday 27 Oct 2017 at 12:00 (00h30')

Primary authors :

Co-authors :

Presenter : Prof. VINITSKY, Sergue (JINR)

Session classification : NUMERICAL ANALYSIS AND APPLICATIONS - II

Track classification : --not yet classified--

Type : --not specified--
