
From SRF:**Romanian physicists can choose to be :**

- a) an individual **IM** member of EPS – paying the fee (20 Eu directly to Mulhouse). **IM** -- automatically are **SRF** members, but they must also pay the lowest SRF fee – 20 RON ! They receive Europhysics News from the publisher directly.
- b) a National Member **NM** of SRF affiliated to EPS, paying the fee (40 RON for 2008) to SRF. **NM** members are **automatically members of EPS** ! They can receive Europhysics News from our secretariat by arrangement of delivery.
- A National Member **MRPS** (not affiliated to EPS)

MORE INFO from the Romanian Physical Society.

A) National Member of the Romanian Physical Society (NM- members - affiliated to EPS)

Fee 2008–	(full)	40 RON	covers EPS fee
	(Retired, stud.)	20 RON	„

Fee payments for RPS members should be deposited (as already communicated to all branches) on the following IBAN account

Societatea Romana de Fizica**Cont IBAN RO75BPOS70602559720ROL01****SC BancPost S.A. Stefan cel Mare**

NM- members may receive *Europhysics News* from the Romanian secretariat to the indicated address. Otherwise **NM**'s enjoy the same rights as **IM**'s. Members should indicate the contact person (name, postal address, e-mail) for collective (preferably), or personal, delivery. Application form – RPS Secretariat

B) Member of the Romanian Physical Society (MRPS - not affiliated to EPS)

Fee 2008	20 RON
----------	--------

All members should chose the type of membership and notify the Romanian secretariat by e-mail the date of fee payment and the source (bank,PO,etc).

MRPS will not receive *Europhysics News* but will enjoy all other member rights

Societatea Romana de Fizica; Secretariat: Str. Atomistilor, 407, Bloc Turn, Et. 6, Magurele (Ilfov), CP MG-6, 077125 – BUCHAREST; ROMANIA; Tel. 021-4042300 int. 3600 (Mrs. Margareta OANCEA); moancea@nipne.ro

(updated 15 sept. 2008)

Membership Information**(From EPS Constiyution and By-laws)**

You can become an Individual Member (**IM**) of the EPS and participate in EPS activities.

Fees range from €14.70 to €58.80 depending on whether you are a member of a National Society.

Individual Members: IMs receive [Europhysics News](#), the EPS bulletin, directly and enjoy certain other privileges, including representation in the EPS Council.

[On-line IM application](#). [Find Email of an IM](#)

Member Societies

[National Physical Societies](#) from 39 countries in Europe are members of the EPS.

A) IM Membership (2008)

Please note the IM member ship fee is:

1.20 Euro (100%)

2. 75% (For students enrolled in a physics course, or pre-university physics teachers.)
