

#### Attendance at international conferences

1. Participation in the international conference The 13th International Conference Processes In Isotopes And Molecules - "PIM2021" held between 21.09.2021 - 25.09.2021 and organized by the National Institute for Isotopic and Molecular Technologies - INCDTIM in Cluj-Napoca, where I presented, as author, poster communication entitled "The Effects of propolis extracts on model membranes", in the section: T2 - Molecules, Biomolecules and Green Technologies.
