

Project: Precise neutron inelastic and charged particle reaction cross sections as a tool for a better understanding of nuclear reaction mechanisms.

RESEARCH TEAM

A. Negret – Senior Scientist 1, project responsible

C. Borcea – Senior Scientist 1

A. Olacel – Scientist

M. Boromiza – PhD Student

C. Mihai – Senior scientist 3

A. Oprea – Junior scientist

A. Mitu – PhD student

V. Braguta – Research assistant
